

Dear Stampers,

Our stamping challenges have brought out so many wonderful creations—houses, windows, shirts. What's next?

The Photo-Frame Challenge. Everyone's invited to participate. All you need to do is fill in the photo-frame shape shown here and send your artwork to *RubberStampMadness*. The only request is to include at least one stamped image in your "photo."

You can create a stamped scene, a collage or incorporate a "real" photograph into your submission. A selection of Photo-Frame artwork will be featured in the Fall 2018 issue.

Send your artwork by mail to: RSM, PO Box 610, Corvallis, OR 97339
or 216 SW Madison Ave., Ste. 17, Corvallis, OR 97333

Send scanned artwork to: images@rsmadness.com

Postmark due date for submissions: March 10, 2018

*We're looking forward to seeing what you're seeing through
a stamp-inspired viewfinder. A selfie? A landscape?
Family member or friend? Perhaps a pet?*

Whatever it is—take your best shot and send it to RSM!

Note: The photo frame image shown here from Rubber Baby Buggy Bumpers, now available from Stamp Francisco (www.stampfrancisco.com). The image has been enlarged 120%. Thanks to Laurie Tolmasoff for suggesting this image for an RSM Challenge.
