

# RubberStampMadness' Store Guide is right for YOUR STORE!

If you sell stamps and products for stampers and scrapbookers, sign up to be in the **RSM Store Guide**. Your store can have a listing that includes store name, location, hours, and contact information. Plus receive an online direct link from RSM's website to your website.

Three listings (Spring, Summer, Fall 2021):

**\$70** or **\$60** if your store sells RSM

One listing (Spring 2021):

**\$35** or **\$25** if your store sells RSM

**Note: Having copies of RSM on hand in your store can increase product sales. Customers learn new ways to make cards and stamp art that call for a new image or new product.**

Email [angela@rsmadness.com](mailto:angela@rsmadness.com) for details on Store Guides and carrying RSM. Or call (541) 752-0075. We're here to serve you!
